Eight guests are invited for a weekend visit, and they soon meet the two servants who were already on the island, and then there were ten. As they are gathered in the living room they hear a mysterious voice that accuses each one of them of committing murder. One by one they are killed off in a bizarre fashion which fits in with the nursery rhyme, and one by one the wooden indians disappear from the mantle. Which one is the murderer. The last action-packed scene reveals his identity.

The play was directed by Mrs. Judith Ream with the assistance of her student

The largest turnout in the history of Cross Country ran for the Falcons with 17 boys and girls participating. The squad was led by seniors Ben Steere and Kurt Garrison. As the season progressed the Falcom squad began to gel. For the second straight year the team brought home the runner-up trophy in the Wayne County Invitational Meet and the girls section finished 7th, 10th, and 11th individually. The squad was relatively young with many underclass runners returning. Prospects for the 1981 season look good. The key to 1981 will be the extra running by the veterans.

After capturing the District and Regional Championships for 1981, the Falcons just ran out of steam in the State Semi-Finals and were defeated by Portsmouth Clay 7-2.

This was the final game for five seniors, Sondra Applegate, Diann Denney, Pam Gilbert, Susie Hardy and Tonya McKinley. These girls were initial members of the first girls' softball team at Hillsdale High School and helped that team establish a splendid fouryear record: in 1978 they were State Runner-Ups, in 1979 they were State Champs, in 1980 they were defeated in the Regionals and this year, 1981 once again they made it all the way to the State Semi-Finals before being defeated. Ending the season in the top four out of one hundred thirty five teams in the state of Ohio isn't bad.

Band

The Hillsdale Marching Band began its busy year by presenting a concert at the Brookside Band Shell and by marching at the Ohio State Fair. During the fall they provided both pregame and halftime entertainment at all football games, marched at the Ashland County Fair and in the Ashland Christmas parade, and concluded the season by challenging and defeating the Loudonville Marching Band 58-22 in a flag football game.

Concert season was just as demanding on the musicians with a Christmas Concert in December and a Winter Concert and Solo and Ensemble Contests in

February.

Twenty-seven members participated in the con-

tests and received 14 Superior rating.

Spring came in with the band receiving a II rating at contest at Malabar on March 21 and moved right along with the band presenting a sparkling Spring Concert in May at which awards were presented. The group ended the season and the school year with a final concert performance at Graduation and a marching performance in the Memorial Day Parade.
